### **Learning Outcomes:**

By the end of each session, participants will have an:

- Understanding of the new MASH front door structure.
- Increased understanding of the development of the MASH that is ready to deliver the best for our children and families.
- Improved confidence, understanding and ownership of the expected practices and processes in the MASH

### **Aims for the sessions:**

- To acknowledge SPA/MASH achievements and in embedding effective multi-agency working
- To check out where we need to improve in order to ensure children's needs are met in spite of the challenges
- To understand multi-agency thresholds and promote a better understanding of the application of these in MASH safeguarding practice.
- Embedding Signs of Safety in practice

**Each three-hour session will include interactive exercises, presentations from different professionals working in the MASH and in safeguarding and discussions, using live case examples to embed learning and support the learning outcomes. Areas covered will include:**

- Welcome and Introductions
- Practice context in Haringey
- Partnership working in safeguarding children
- LSCB multi-agency Thresholds
- How the MASH works
- Tools and models for practice and where to find resources.
- What's next: Support for practitioners
- Evaluation.

**TARGET AUDIENCE: Practitioners who work with families and are likely to make referrals**
